Dear sir,  
I would like to take part in choosing a name for new street. I think that street must be commemorated a name of famous person. I have some option for street name. I would to tell you about one of this.

My street will be named in honor of the great artist of Russia Vasily Surikov. It is a great choice because Surikov has a great amazing pictures which are loved by many. And it is a good way to commemorate the memories of great artist.

The Design of this street will look like in style of eighteenth century. This street will look like Surikov's gallery. Many pictures will be placed on houses. Every single building no more than five floors. The street will be decorated with light bulbs and there will play classical music. In the middle of the street there would be monuments to Vasily Surikov. This street will be the embodiment of Surikov's creation. It will be an urban sight.

I hope you approve my suggestion  
Your Elena Kravets.
