Dear Sir,

I decided to take part in choosing a name for a new street in our town. This street located in very musical street in part town. there are musical shops, street bands, cafes with live music. I suggest commemorate name of the great russian rock singer Victor Tsoy.

I am sure that this is wonderful idea. Everyone know his songs. for example "Группа Крови" and many other.

The design of the street will look like walking street. In the middle of the street will be located embodiment of Tsoy's creation the guitar. Every urban musical should go to this street and playing his music. In this street will be situated facilities for playing music.

I hope that you approve my idea

Your Katia Katinskaia.
